Subject: Settlement Agreements

Nicole and Joe –

During our last conference call, you requested that the VLSG provide settlement agreements to you so that you could review the indemnifications contained therein. I understood this request to be part of your due diligence in deciding to allow settle PRPs to executed the CD as cash-out parties. I now have authorization to forward those agreements to you. Would you like them in hard copies or electronic copies? I may not actually get them out of here today or tomorrow, but it should be not later than early next week

Also, do you have any questions/feedback on the orphan share information that I forwarded?

Thanks!

Steve
